### 2016 LLE Research Colloquium Public Lectures

OISE/UT | 252 Bloor Street West, Toronto ON | 5:00-6:30 pm | 5-150, 5th Floor

The LLE Research Colloquium public lectures provide opportunities to become familiar with ongoing research, research methodologies, and curriculum activities in language and literacies learning and teaching. Presenters include current students, recent graduates and professors in the LLE program at OISE as well as scholars from other institutions.
